Table Guidelines

We encourage fun and creativity with your decorations! As you plan, please keep the following in mind:

- Tables are 60" round tables.
- Consider anything that might obstruct the view for others, keeping your guest conversation. You might want to keep centerpieces low so your guests can see over them.
- No helium balloons, open flame candles, confetti or glitter are allowed.
- In order to fit all glassware, plates, etc. we recommend keeping your decorations to 18" in diameter in the center of the table.
- You can bring your own linens, napkins, centerpieces, chair decorations, outfit accessories, etc.
