About Us

Step By Step is a holistic, non-profit program working to empower and embolden young single mothers ages 12 to 24 in our community to improve their lives, families, and communities through healing, encouragement, faith and education. Founded in 1995 by three best friends with a burning desire to impact child abuse and neglect statistics in their community, these women set out to create a place that was intended to be and remains today, where single mothers didn't feel judged, but could enjoy and support each other, as well as learn life skills that would not only impact them... but their children as well.

OUR MISSION ...

We're here to empower and embolden young single mothers to improve their lives, their families, and their communities through healing, encouragement, faith and education.

OUR VISION ...

We envision a Lexington that fosters belonging and empowers young, single mothers to positively impact their families and communities.

Additional Program Offerings:

Step into Beautiful

Step Into Beautiful, a tea luncheon and Step By Step's signature annual event, will be hosted on March 7, 2026 at The Manchester Hotel. This inspiring gathering welcomes more than 300 guests each year, including local business and faith leaders, city and state politicians, and dedicated supporters who believe in investing in young single mothers and their children.

We have set a bold goal this year — to raise \$75,000 — to support the programs and services that Step By Step provides, including:

- Mentoring and support groups
- Workshops on parenting, life skills, budgeting, communication, relationships, nutrition, goal setting, Bible studies and discipleship, and more
- Resource referrals
- Crisis intervention
- Children's programming that includes Bible teaching and character development
- Transportation to large group meetings

By sponsoring Step Into Beautiful, your organization gains visibility with a wide and influential audience while directly impacting young families in our community through hope, support, and opportunity.
